

Are you affected by CPS school closures?

Call (773) 8000-EDU to speak to a trained volunteer about your questions on the school transition process.

The Educational Equity Project at the Chicago Lawyers' Committee for Civil Rights Under Law is excited to announce the launch of a new help line, 1-773-8000-EDU (1-773-800-0338), designed to provide assistance to families affected by the recent school closures.

Our team can help provide answers to questions from parents affected by closures including:

- Where should my children enroll in school?
- How do I make sure my children are properly enrolled?
- What measures should my welcoming school be taking to ensure my child's safety?
- What services am I entitled to at a welcoming school?
- What recourse do I have if schools are not providing my child with necessary services?

The help line is designed to ensure that students and parents receive the protections to which they are legally entitled following a school closure.
